MATSU

MATSU

Established in 1996, MATSU is dedicated to providing inspiring office furniture overall solutions for clients.

Replying on this craftsmanship spirit as a key to international stage, MATSU entered into strategic cooperation with famous German furniture brand. While introducing excellent European designs into China, MATSU is fully aware of the importance in original design made by itself. So it gradually improves its design ability. MATSU collaborates with many famous design institutes, for the purpose of creating furniture that is featured by original MATSU style.

Inspiring Office Lifestyle

POSITION

Horns

The chair is inspired by the horn of a cow. The curve of the beam is just like the horn of a cow, which is strong and powerful. The perfect curvature of the beam is one of the details that makes the work full of personality. The way the legs are connected, the metal chairs are fixed to each other. In the chair, we choose the curved wood for a mold molding, the sitting surface is ergonomic, comfortable and friendly. Horn chairs can be widely used in restaurants, cafes, office areas, and more public spaces. Horns' versatility meets the changing needs of the modern workplace.
