

# Pace

Designer: Jehs + Laub

 Pace, imported from Renz in Germany

- Elegant appearance + Unobtrusive functional + excellent workmanship**
- PACE is 740mm-1140mm in height.
  - A well-designed working surface, adjustable to varying heights.
  - Absolute stability and lifting operation
  - Cables and drive are hidden behind the elegantly faceted lateral panels.
  - Matching containers and sideboards are the perfect complement, adding both functionality and atmosphere.
