

Uni_verso

Designer: Norbert Geelen

Uni_verso Kusch+Co

Original German design

Uni_verso, product of MATSU's partner Kusch+Co

Uni_verso

“Uni_verso

Uni_verso

Uni_verso: unified and all-inclusive

"Uni_verso" means "universe" in Spanish, and this series is characterized by its "all-inclusiveness like the universe". "Uni_verso" is a series of modularized products for use in a variety of space for work, discussion or collaboration.

Ultramid®

Uni_verso

Germany imported BASF

One-piece Shell

Its shell is produced by renowned chemical company BASF Ultramid®. The one-piece shell has a slender appearance and pure colors, It is sturdy and durable, and can be cleaned easily with standard disinfectant to meet the anti-bacteria requirement of medical environment.

Uni_verso shell has a sanitary certificate issued by the Berlin Institute of Health, and meets all requirements of hospital sanitation and infection prevention.

Ergonomic Design

The ergonomic curve of seat offers comfortable seating experience and reduces the pressure of chair back on spine.

Frosted seat surface, safe and non-slip

Opening in the back

Conducive to the dissipation of heat generated during prolonged seating, and easy for cleaning and transportation.
